INFORMATIONAL ANNOUNCEMENT - COVID-19 VIRUS

To My Fellow Co-Workers:

It is very gratifying to report that we continue to have no co-workers affected by COVID-19 at this time. I want to continue to extend my personal thanks to every one of those employees that communicated their situation with us immediately. It is greatly appreciated as it helps us contain this pernicious virus.

That said, I continue to stress that as the locations where we live come back to life, let's all work together, at work and away from work, to mitigate the spread of the COVID-19 virus as best we can.

I know everyone is looking forward to the Memorial Day weekend where we remember those brave men and women that gave their lives so we may have the blessings of freedom. But with that freedom comes responsibility to both our families and our co-workers. So during this time of COVID-19, I ask each and every one of you to be vigilant this weekend so you remain healthy and free from the virus.

Thank you, enjoy the holiday weekend, be safe and stay well.
